

# Global Faculty Initiative

**The Faculty Initiative  
seeks to promote the integration  
of Christian faith and academic disciplines  
by bringing theologians into conversation with scholars  
across the spectrum of faculties  
in research universities  
worldwide.**

In the history of the Christian intellectual tradition, the account by Thomas Aquinas of the moral life, the virtues, and other such things, is very different from the account sketched in the Preview. Aquinas's approach to the moral life emphasizes love, second-personal relations with the deity, and an account of justice that offers no maximum account of what in justice is owed to the poor. My article on Aquinas's ethics - [Aquinas on the Passions](#) - is a kind of response to Professor Biggar's approach to the moral life.
